7. [ ] there were no noticeable increases in the number of military aircraft. 25X1
8. [ ] no knowledge of increases in critical equipment. 25X1
9. [ ] one IL-28 at an airfield near Debrecen (N 47-50, E 21-65). Hungary, on 23 or 24 November 1956. [ ] 25X1
10. [ ] in Nesterov in 1956, at an ammunition dump, a crated, unidentified, rocket-type projectile which was approximately ten feet long, one foot in diameter, and with no fins. [ ] 25X1  
[ ] this rocket projectile was fired without the use of a launcher and had an adjustable flight time (sic).
11. [ ] 25X1
12. [ ] these two units moved into Hungary in November 1956.
  - a. In early November 1956, at Nesterov, [ ] two 30-truck serials depart on separate days from the 306th Brigade for Hungary. The trucks, which were not loaded, carried only their drivers. 25X1
  - b. [ ] that the remainder of the 1st Guards Artillery Breakthrough Division was scheduled for movement to Poland at some unknown future date. The brigades, which had already departed, were either to return prior to the division's departure, or they were to join the division in Poland later. 25X1
14. [ ] if the 1st Guards Artillery Breakthrough Division were to move out, it could only move approximately 200 kilometers on its basic fuel load. [ ] there were two ZIS-151 POL trucks in the 27th Separate Motor Vehicle Transport Company and two or three ZIS-151 POL trucks in each brigade. 25X1
15. [ ] unit received no instructions recently on what to do if captured by the enemy. 25X1
16. [ ] an atomic burst took place in Chkalovskaya Oblast, RSFSR, in July or August 1954. Unidentified divisional officers and troops from the 2nd Brigade participated in the exercise. The exercise, which lasted approximately three months, began in July 1954 and ended in October 1954. The single burst exploded just above the surface, allegedly being released from an altitude of 15 kilometers. Tanks, goats, and sheep were used for experimental purposes. Tanks within a 600-meter radius were melted. Tanks within a 1,000-meter radius were not destroyed, but sheep within these tanks were burned to death. Troops were allegedly dug in as near as 1,600 meters from ground zero, and as far distant as four to six kilometers from ground zero. 25X1
17. [ ] officers' meetings at the 1st Guards Artillery Breakthrough Division Headquarters increased during the period 25X1

of the revolt in Hungary. All of these meetings were held in secret. 25X1

18. [ ] there have been no signs of increased enforcement of security measures [ ] 25X1  
[ ] 25X1

II. Civilian 25X1

1. The only information of an emergency nature from the civilian section [ ] was the following: [ ] 25X1  
[ ] there was a very strong feeling of animosity by the civilian population toward Soviet military forces in Western Ukrainian SSR. 25X1  
[ ] officers in the Nesterov casern were permitted to carry weapons both on and off duty, while enlisted personnel were discouraged from leaving the casern. 25X1  
[ ] this hostile feeling was not as prevalent in the smaller towns as in the case of larger towns. In the city of Lvov (N 49-50, E 24-00), for example, it was not uncommon to have incidents, mostly murders of military personnel, occur at least once a month. 25X1
